Greetings All:

I would like to take this opportunity to express not only my sincere thanks, but also to extend a huge thank you and sincere appreciation for the countless prayers and offers of sympathy that has been afforded to the Family of our Fallen Deputy Kyle Jeffery Davis and my entire staff as well.

On the infamous day of March 25th, 2021, Deputy Corporal Kyle Davis made the ultimate sacrifice in the line of duty while attempting to secure a prisoner in our detention facility.

We here at Washington County are a small department and as such are also a tight knit law enforcement family.

A loss of this magnitude has shaken all of us to the core of our soul.

However the positive response from the community at large has reaffirmed my faith in humanity, but more importantly all of our Brothers and Sisters in the Public Safety and Law Enforcement Family's expressions of Love, Respect and Sympathy during our time of loss has strengthened us as a whole and reminds me that we are one huge family from sea to shining sea.

To those agencies and individuals who have contributed to Kyles family and our office, either through heartfelt communications or monetary contributions, I thank you from the bottom of my heart.

On behalf of all of our staff and Deputy Davis's Family, once again, "Thank You!"

God Bless and Keep you all.

Respectfully:

Dear President Caruso:

On behalf of the Bibb County Sheriff's Office, I want to express my sincere gratitude for the condolence letter for the family of Deputy Christopher Knight, who gave his life in the line of duty on April 6, 2021.

I'm reminded daily that being a law enforcement officer is not just a job; we are all family. Christopher's death reminds us of the perils of our profession, but also, of the dedication and heroism of those who serve, some of whom make the ultimate sacrifice.

We will give your letter to the Knight family; I am sure they will find it very meaningful that you thought of them in such a nice way.

Sincerely,
